

John Abrahamsen—John is into enjoying the great outdoors. He is an avid camper, fisherman, hiker, and a hunter. He also enjoys dirtbiking and weightlifting.

Joe Amancio—Joe is a real sportsman. He likes soccer, baseball, football, and basketball. His future plans are to take growing pills and play in the N.B.A.

Colin Andre

Heather Anderson—Thrilled that her life in school is coming to an end and after college, never plans to return to a classroom. Favorite pastime: drag-racing on loco Road with Rastrad and sorted weekends at Pender Harbour.

Colin Anderson—Colin is a motorbike freak who intends to buy himself a bike and tour Europe for six months.

Curtis Andres—Curtis's worst experience this year was grade 12 biology. His best memory was walking up the trail. Pet peeve: homework.

James Andrews—James is a person who enjoys exercising and outdoor activities. In the future he plans to travel then go back to school. After that he is going to get a job.

Teresa Armstrong—Teresa enjoys walking her dogs and running. Her future plans are to go to Douglas College to study child care counseling.

Kelly Arnsdorf—Kelly enjoys football, rugby and "house-wreckers". Future plans: travel to Thailand and study tropical growing conditions.

Karina Bagley—After graduation Karina plans to travel to Europe. Her future lies in child psychology. Worst memories: making shortbread with Julie.

Samantha Ball—In the future, Sam plans to pursue her childhood as long as possible. Failing that, she hopes to go to university. Hobbies include surviving J's time warp.

Gino Barazzuol—Gino likes sports and music. His future plans include following King Sunny Ade to the Caribbean to find the light. Pet peeve—Smilin' Dave.
