

Ria Bordin—Ria plans to further her studies in the direction of family law. Her favourite sports are ice hockey and field hockey. Best time, defeating Centennial in field hockey.

Nick Boyd—Nick hopes to become a qualified machinist. He likes to party and live it up and hates to get thrown in the tank.

Dan Bradford—Dan enjoys activities such as weight lifting, sports, martial arts, and social parties! Future plans are to get rich and stay unmarried.

Dave Brass—Dave plans to head out to San Diego and show the Charger what he is made of. He'll live strictly on steak and gin for awhile, until his contract rises.

Steve Bridge

Lisa Bronsro—Lisa's future plans include travel and a degree in zoology.

Nigel Broughton—Nigel likes to work on his Road Runner, race his Road Runner and to try to blow the doors of Mike J's Mustang G.T.

Carmen Brown—Carmen enjoys long weekends and summertime. After graduation California or Hawaii is a must. Nursing may be in the future.

Lyndsey Brown—Lyndsey's future plans include attending S.F.U. and marrying a good looking millionaire. She likes tropical beaches and watching "General Hospital".

Diane Buchanan—Diane wants to marry a rich old man in his nineties, wait till he dies, take his money and find a good looking young dude.

Pat Byrne—Pat, having finally graduated on the three year plan, intends to move on to bigger and better things. He has enjoyed life at P.M.S.S.

Sheila Cadonin—When Sheila's not spending endless hours studying Geography and History, you can usually find her cruising the streets in a gold Fiat X-19.
